

LORENZO DAVIDS

**NATIONALITY / COUNTRY OF ORIGIN:**

South Africa

BIO:

CEO of The Development Impact Fund and The Justice Fund. Lorenzo's mission is to help build respectful, just, inclusive, safe, equitable and prosperous societies across the world.

IDEAS:

A dignified public transport system is fundamental to every great society - and everyone should use it. Conducts community conversations with groups of people across South Africa to help them articulate their aspirations and their fears and build an active citizenship.

CONTENT:

Editorials and opinion pieces in the Cape Times, Star, Natal Mercury and Argus newspapers; frequent commentator on matters of social development. Weekly column in the Cape Argus, '#AnotherVoice'. Co-author, 'Transformative literacy in South Africa' (*Global Citizenship for Adult Education*, 2021). Initiated a platform for 'the people and its constitution to engage each other in conversation.'
